

SEAS

Calling all visually impaired sailors:

Hi Blind Sailors,

The IFDS Bling Match Racing World Championship will soon be upon us -- Tuesday, September 9 - Sunday, September 14 in Sheboygan, Wisconsin, USA.

The Sheboygan Yacht Club has arranged a fantastic program both on and off the water. With such great sponsorship and support we are hoping to welcome and encourage as many visually impaired sailors as possible to the event.

Experienced sailors will have the chance to race and compete against sailors from all over the world, while new sailors to match racing will have the opportunity to develop their skills, as well as meet other visually impaired sailors keen to share their sport and welcome and support new comers.

We are eager to help the sport grow:

- Difficulty raising the money for entry fees or accommodation?  
Contact us to see if we can help.
- Not trained with an audio sound system?  
Contact us. Additional practice days could be arranged.
- Not familiar with match racing?  
Contact us. Pre event training could be arranged.
- Not able to get a team of three sailors?  
Contact us. We may be able to put you in touch with other sailors.

If you would like more information or someone to contact you with details email
